

Stopfinder Features

Student Card Schedule

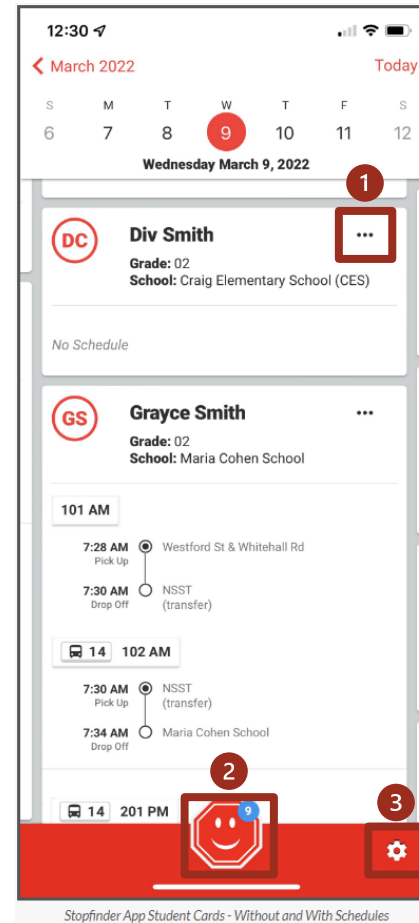

The Student Card is the first thing subscribers will see when they login to the app. If a student is assigned to a trip, you will see the trip information.

If a student is not assigned, you will see **No Schedule** on the student card.

App users can change the date they are viewing the schedule for a number of ways:

- Swipe left or right on the student card
- Tap the Month/Year in the top left corner to view a monthly calendar and select a specific date to view
- Swipe left or right on the date bar across the top of the screen

Note: subscribers can view future dates, but schedules for past dates cannot be viewed.

1 Ellipses

2 Stoppy

3 Gear Icon

Menu

Tap on the ellipses button in the Student Card to see additional options including:

- Map – option for map features is currently unavailable
- Message – used to communicate with CTR transportation
- Share Schedule

Stoppy / Message Center

Tap on Stoppy, the Stopfinder icon, at the bottom of the app to open the Message Center. Here subscribers can see all Announcements, and Feedback Message conversations.

The blue badge, on Stoppy displays the count of unread messages.

Main Menu

Tap on the gear icon in the bottom-right corner to launch the main app menu. This menu contains the following options:

- Manage Shared Subscriptions
- Profile
- Help Center
- Log Out
